### Experience

#### Assistant Store Manager

Aldi

*September 2020 – May 2024*

- Directly assisted store manager in all aspects of running store, including shift management, inventory tracking, price changes, product ordering, scheduling, and organizing special displays
- Managed daily shifts leading teams of 4 to 6 associates, organizing and delegating responsibilities to best effect, and ensuring breaks ran on schedule
- Conducted daily inventory tracking, counting products and evaluating store loss reports
- Created graphic design work by designing and distributing infographics for store marketing and appearance
- Responsible for basic store functions such as cashiering and stocking performed in a fast-paced and efficient manner
- Assisted in general store upkeep, cleanliness, and effective product management

#### Illustrator & Design Assistant

Catia Creative

*November 2022 – June 2023*

- Workshopped and illustrated original artworks with customizable variations
- Worked in Photoshop to fulfill illustration orders based on template options to customers' satisfaction
- Processed up to 80 orders per day while prioritizing attention to detail and applying creative solutions
- Provided personable online customer service, maintaining five-star reviews for the Etsy shop
- Responsible for receiving additional orders through the website and maintaining an online presence

#### Animator

Northwestern University

*2018-2019, 2023-2024*

- Worked on multiple independent short films directed by university professor
- Acted as animation director on *Lines of Exile* (2019), storyboarding and animating sequences of images to voiceover dialogue
- Acted as animator on *Acoustics of Roux*, brainstorming concepts and animating individual shots
- Communicated directly with director, applying critiques and revising drawings as necessary

#### Film Lab Assistant

Columbia College Chicago – Animation Dept

*September 2018 – May 2020*

- Managed office phone to answer calls regarding reservations, cancellations, and general questions
- Scheduled reservations for student lab use and was responsible for checking out and keeping track of animation lab equipment
- Worked as a student tutor for animation and illustration programs, explaining the software, providing demonstrations, and troubleshooting
- Provided tours of the animation department for groups of prospective students
